Taizhou Gaogong Electric Appliance Co., Ltd.

Company Profile

Founded in 1998, Taizhou Gaogong Electric Appliance Co., Ltd. is a new research-based company of R&D, manufacturing, sales and service, located in Taizhou road and bridge area in Zhejiang Province where the private enterprises are concentrated.

Since its establishment, our company has been committed to the development and production of civil blowers, industrial blowers and cooling and humidifying spray blowers with advanced production equipment and exquisite technology. The products have passed many authoritative certifications from China and some other countries. Some have won national invention patents and utility model patents. The main products, small power frequency fans, named " Delibang " makes extraordinary achievements in agricultural drying, heating and ventilation,

metallurgy, chemical industry, boilers, stoves, environmental fresh air and so on.

Products

L-CZR Electric Centrifuagal Air Blower

Product Details

Type	Power(w)	Calibre of outlet(mm)	Length(mm)	Width(mm)	Height(mm)	Weight(kg)	Flow(m^3/)	Pressure(pa)	Voltage(v)	Frequency(hz)	Rotational Speed(rpm)
L-CZR	30	33	153	120	172	1.3	0.5	70	220	50	2800
	40	35	158	120	177	1.5	0.8	80			
	60	40	175	135	200	1.67	1.0	100			
	80	43	190	135	208	1.75	1.1	120			

Rated Voltage:220v
Place of Origin:Zhejiang, China
Model Number:L-CZR
Application:Air Blower
Power Source:Electric Blower
Item name:air blower
Colour:Black,option
Supply Ability:100000 Piece/Pieces per Month air blower
Packaging Details : Export standard carton.
Port : Ningbo/Shanghai, China

FZY-External Rotor Axial flow Fan

Product Details

This series of FZY-External Rotor Axial flow Fan are widely used for ventilation and cooling of automatically control equipment,medical equipment. Also used in chemical industry, light industry, medicine, metallurgy, power plants, transportation and warehousing workplace ventilation and air conditioning systems.It boasts the characteristics of strong wind,feeble vibration,low noise and relible performance,etc.

Type	Voltage(v)	Frequency(hz)	Power(w)	Rotational Speed(rpm)	Flow(m^3/min)
FZY-2-200	220	50/60	50	2800	1050
FZY-4-200	220	50/60	40	1400	510
FZY-2-250	220	50/60	150	2800	1600
FZY-4-250	220	50/60	110	1400	850
FZY-2-300	220	50/60	165	2800	2100
FZY-4-300	220	50/60	70	1400	1200
FZY-4-350	220/380	50/60	95	1400	2800
FZY-4-400	220/380	50/60	140	1400	4150
FZY-4-450	220/380	50/60	200	1400	5600
FZY-4-500	220/380	50/60	250	1400	6250
FZY-4-600	220/380	50/60	300	1400	7500

20" Efficiency Cooling Electric Mist Fan

Product Details

Type	Size(inch)	Power(w)	Voltage(v)	Frequency(hz)	The quantity of fog(l/h)	Distance(m)	Effective area(m^3/)	Noise	Angle(°)	Swing angle	Utater tank capacity(ltrs)	Effective working hours(h)
MF-I-007	20 "	500	110/220	50/60	0-45	10-13	150-200	≤55	30°/-15°	manual	60	1-8

Place of Origin:Zhejiang, China
Brand Name:GAOGONG
Model Number:MF-I-007
After-sales Service Provided:Overseas Call Centers
Type:Water Mist Fan
Application : When working the heat will be absorbed by mist and the temperature will be decreased as well as increased air relative humidity, decreased bug dusts and purified air. It is applicable to a variety of cooling and sunstroke prevention places, such as workshops or warehouses of the Industries in machinery, casting, forging,chemical industry, metallurgy, heat treatment, textile, glass products, flowers,breeding livestock,as well as places of amusement, supermarkets, hospitals, exhibition halls,outdoor bars & coffers, and so on.

12V DC Type Centrifugal Blower ,BBQ Blower

9732#

Product Details

Type	Power	Air outlet type	Outlet caliber	Voltage	Wind pressure	Air volume	Rotating speed
5025#	2.5	Fangkou	25*20	12	90	16	6200
7530#	6	Fangkou	40*30	12	130	46	4000
9732#	10	Round mouth	Φ31	12	200	34	4000
9733#	10	Fangkou	52*32	12	150	74	4000
12030#	15	Fangkou	60*32	12	120	69	3000

Rated Voltage:12v
Place of Origin:Zhejiang, China
Model Number:DC
Power Source:Electric Blower
Item name:Industrial blower fan
Port : NingBO/ShangHai
Supply Ability:30000 Piece/Pieces per Month Industrial blower fan
Packaging Details : Industrial blower fan;polybag,inner and master carton.
After-sales Service Provided:Engineers available to service machinery overseas
